NATIONAL INSTITUTE
OF ALLIED ARTS

2024 GALLERY

WWW.NIAAZIM.CO.ZW

The Visual Arts Festival 2024 Gallery Book. All visual arts artwork is submitted under nom de plumes, so that adjudicators are blinded when adjudicating the work, to both the name of the student and school. Each work of art is individually assessed, and marked according to our carefully considered marking rubric. A selection of the best work is recognized at an exciting annual prize-giving ceremony where students are awarded trophies (for the Best Junior and Best Senior artists) and prizes in recognition of their achievements. This is accompanied by a beautifully choreographed exhibition of artwork, celebrating and upholding visual arts standards and achievements across the country. All schools and students, and the public generally, are encouraged to visit, and enjoy the exhibition over the week following prize-giving. The Visual Arts Festival 2024 is sponsored by **Innscor Africa Limited** and **Paragon Printing**.

FESTIVAL THEME FOR 2024

'Connected!'

This year our theme explored the myriad ways in which connection is made – from where we find our place in the world, to how we interact with our environment, from navigating family bonds to acknowledging and learning to embrace the differences between us, cultural and otherwise. Our entrants explore what connectedness means and how each of us is an irreplaceable thread in life's tapestry.
